Crew Manifest Update: Ensign Lee Harris, USS Indianapolis Security Officer

Q. Do you have a favorite Star Trek television show?

Yes! Deep Space 9 is my all-time favorite. I love the characters and the storylines, and how it takes the Star Trek premise and does something different with it.

Q. Who is your favorite Captain and why?

My favorite Captain is Picard because that's who I grew up watching, but - in my opinion - Kirk is the best.

Q. If you could share any Star Trek episode with a friend who hasn't seen any Star Trek programs before, which episode would you choose?

Not an episode, but I'd show them the entirety of TNG because I think it encapsulates what Star Trek was at its best and really shows what it can do.

Q. How long have you been a fan of Star Trek?

Since about 1990 when I was around 4 or 5. I remember watching TNG with my family and loving Worf and the tricorders and the Enterprise. Some of my fondest memories are from that.

Q. What are your favorite pastimes outside of "Star Trek"?

I like to play games and spend time with my daughter. She's not into Star Trek but hopefully one day she will be!
