Star Wars 12/18/2022

On Sunday December 18th, our own Lt. Jeff Franciski, as part of Star Wars Indiana, a partnership of the local 501stand Rebel Legion organizations, partook of the Indiana Pacers Star Wars Night. In his usual role as the handsome scoundrel Han Solo from "that other franchise", Jeff entertained the crowd with his cohorts with fan interactions on the concourse, pregame festivities, and the traditional "t-shirt toss" during the fourth quarter. From the smallest child to the oldest "young at heart" adults, all enjoyed their interactions with the Star Wars characters and the members of

Star Wars Indiana loved being a part of the festivities and bringing smiles to everyone's faces, including the staff of the Pacers and players from both teams. Live Long and Prosper and May the Force be with you!

Svengoolie

It's a new year and a new era for the Svengoolie show! This month is the beginning of the program being expanded to two and a half hours. I will explain more about that in a moment — but first, let me run down the January schedule, including a movie in which a secret ingredient was added to the Americanized version — an actor who played a certain lawyer we mention often!

Yes, as I mentioned, our show will now be expanding to two and a half hours! What this means is: we will have the ability to run a few movies that we previously could not, due to

them being too long for our timeslot. It also means we will be able to edit back into previous shows parts of the movies that we had to cut out in order to fit our old time slot.
