The Four Chaplains 02/03/1943

The Four Chaplains, also referred to as the Immortal Chaplains or the Dorchester Chaplains, were four chaplains who died rescuing civilian and military personnel as the American troop ship SS Dorchester sank on February 3, 1943, in what has been referred to as the one of the worst sea disasters of World War II.

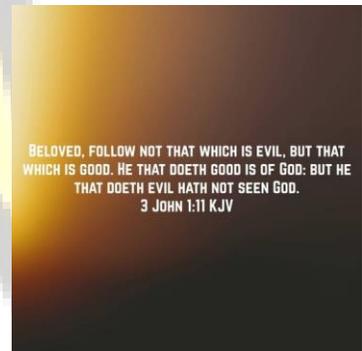

Why You're Like a Jet

What do believers and airplanes have in common? Airplanes are a unique form of transportation. You can stop a horse, a car, a bicycle, a train, or even a ship. But if you try to stop a plane in mid-air, it will

crash. And you can't fly a plane in reverse, back up, or just stand still. So it is for believers. Your walk in the Lord has no provision for backing up or staying still. If you, as a believer, try to stay where you are in the Lord, if you stop growing, stop moving closer to Him, then your walk is in trouble. For your heart isn't made to stand still. It's made only to go ahead. If your walk isn't going anywhere or hasn't been going anywhere for a while... take heed. Don't let it crash! Turn on your spiritual engine and start moving forward again. Paul wrote "But this I do... I press on towards the goal to win the prize for which God has called me heavenward in Messiah Yeshua (Jesus)." Like it or not, you are like an airplane. Press on, and you'll find yourself flying in the heavenlies.
