We had a few trivia contests, and we had 1 birthday. FC Tony Scott promoted Paula Geryak to Admiral. Everyone had a wonderful time and the food was really good. A big thank you to FC Tony Scott for driving 2 hours to come to our meeting.

Garfield Park Baptist Food Pantry donations. We had a nice turnout, 7 crew members came out today with their donations. Their Food Pantry is at St. Andrew Church. They were really happy to get the donations. What a wonderful thing we did today. Outstanding job everyone!

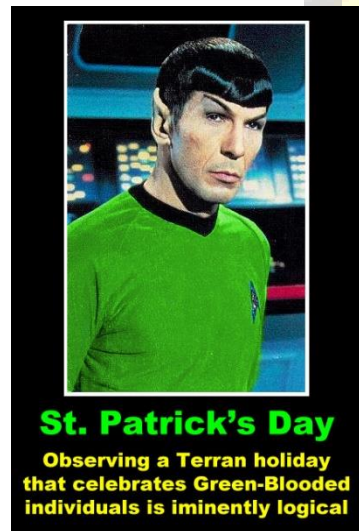

Lunch 02/24/2024

After dropping off all the Garfield Park Baptist Food Pantry donations. A few of us went to Madison Café. We had 7 crew members and 1 guest in attendance. Everyone had

employees decide the best way to drum up business is to increase the number of people dying — with some help from them! It's gory giggles in the Comedy of Terrors! Then, we have another example of the frights provided by the great Dan Curtis of Dark Shadows, Trilogy of Terror and Kolchak fame. This time out, he brings us the legendary story of the vampire count — with Jack Palance truly threatening as Dan Curtis' Dracula! This was actually the first Dracula film to reference the relation to Vald the Impaler, before the 1992 Bram Stoker's Dracula. Our final March offering is one we have constantly received requests for — with Cornell Wilde and the memorable Jennifer Salt out doing research to debunk legendary creatures in the desert — only to find out they are real — and ready to attack mankind in Gargoyles! So, you'll be getting a full month of classic monsters, classic horror stars, great gimmicks and gargoyles!
