## March's Meeting

March's Meeting 2020 was at Pizza Hut. We had 8 crew members in attendance. We had a few trivia contests. Everyone had a wonderful time and the food was really good too.

## Indiana 03/23

Gov. Eric Holcomb delivered a statewide address Monday to order that Hoosiers remain in their homes except when they are at work or for permitted activities, such as taking care of others, obtaining necessary supplies, and for health and safety. The order is in effect from March 25 to April 7.

## Indiana 04/03

Indiana Governor Holcomb announced on Friday the extension of the state's stay-at-home order by another two weeks. It now goes through April 20 at 11:59 p.m.

## Social Distancing

The governor and state officials have been holding daily briefings via video conferencing and encouraging Hoosiers to engage in social distancing to slow the spread of the coronavirus.

## Future Meetings

In response to the evolving global Coronavirus (COVID-19) pandemic, USS Indianapolis is temporarily postponed all our Meetings and Events.

We're taking these steps based on recommendations from local, state and federal health officials.

Thank you for being such valued members as we navigate this time, together. Please Check FaceBook and our Website for any updates.

## SFC News

2020 has certainly presented us all with a challenge in the form of the Corona virus or Covid-19.

Fleet Admiral Mark Williams and I, as the acting Deputy Fleet Commander, would ask you all to be strong, vigilant, and stay calm during these trying times and do NOT become a "red shirt". Follow the CDC guidelines, pay attention to what is happening around you and use a little common sense. You'll get through this.

Check on the members of your family, of your chapter and your neighbors, even if it's just a text or phone call.

Many of us have already shown that Mother Nature will not stop us... be it tornadoes, hurricanes, floods and other disasters. Many of us are at an age where we have overcome worse.

You are Starfleet Command; you can weather this storm!!!

ADM Rose Ciccarone  
Deputy Fleet Commander

## Starbase 06 News

I am issuing a Yellow Alert for Starbase 06 with regards to the global pandemic and its growing effects on the country and the region. I'd ask that everyone take the following suggestions into consideration:

- 1) Follow the guideline set forth by the CDC
- 2) Practice social distancing to the best of your ability
- 3) Consider holding on-line meetings, or if need be, postpone or cancel activities until such time as things have 'settled down'
- 4) Help where you can.

This is going to be a challenging time for all of us. Let's stay focused on healthy, positive thoughts; remember what's important and don't dwell on fear. Above all, stay healthy as best you can.

Please keep us in the loop. Let us know how your ships and crew are handling this uncertain time.

Be safe. Stay Starfleet strong!

Live long & prosper!... that's an order!

## Svengoolie

It may be April 1st, but we're not fooling around. These are tense and confusing times that I don't think any of us ever expected. However, we can all do our best — and help others — to make it through this crisis! Yes, we've run into a few roadblocks, which I will explain, but we're working to be here with you, and entertain you with horrors that are pure fiction. With that said, here's the movie schedule for the upcoming month!
