## Happy Easter

Easter is celebrated across the world as one of the most significant Christian holy days. As Romans 1:4 affirms, "Through the Spirit of holiness, Jesus was appointed the Son of God in power by His resurrection from the dead: Jesus Christ our Lord!" On this day Christians pause to remember the great sacrifice of Jesus on the cross as well as the ultimate triumph of His resurrection.

Easter is indeed a special day! So,

from all of us on the USS Indianapolis, Happy Easter!

### President Ronald Reagan

President Ronald Reagan reminded the nation of the hope that Easter brings.

Beginning today and culminating on Sunday morning, Christians will celebrate with their families the resurrection of Christ, His victory over death. We will remember that He gave His body and His blood—washing clean the faults and the shortcomings of the world. In our rejoicing we will renew the hope that is ours through the risen Lord.
