### SFC News

As you may be aware, in the previous year, there was a mathematical error and the

election for Fleet Commander was held a year early. The current Admiralty Board has decided to hold another election this year, to keep SFCQ1 in line with the Articles of Federation and the elections on track for future years.

Per the AFEDs, an election officer has been chosen and was seated in accordance with the Articles of Federation (AFEDs). CINC Inspector General, Admiral Mary Miller has agreed to fill the position.

Nominations for the Fleet Commanders will be open until July 1st of this year, and the voting results will be tabulated no later than October 31st of this year.
