Memorial Day

Svengoolie

We have arrived at another May of monstrous mayhem! I had a lame joke with some friends — one of them said the only date that's a command is March 4th ("March Forth") -and I responded that the only date that was a question was May 1 ("May one?") In spite of that, you may enjoy all four of our offerings for this month —

SVEN'S MOVIE SCHEDULE

MAY 6	Blacula William Marshall in one of his memorable roles!
MAY 13	Ghost and Mr. Chicken Atta boy, Luther!
MAY 20	Thing with Two Heads Rowey Orier and Ray Milland!
MAY 27	Killer Shrews Dogs in masks! Say no more!

including two 1970s American International horrors, an annually much-requested movie favorite,

and a great Saturday afternoon TV-type "classic". May one take a look at our schedule?
