SFC News

Hello Everyone! TrekFest is happening this year (06/25) in Riverside, Iowa, future birthplace of Captain James T. Kirk. Special guests Robin Curtis and John Paladin will be in attendance. Hope to see everyone there that can make it.

Svengoolie

Yesterday, Memorial Day, has usually meant the beginning of the summer season to many of us — and this year, also seems to be the re-opening of parts of our lives that were shut down. We can start to re-establish things to a more normal way of life, and welcome the seasonal warmth with a Sven schedule of chillers that combines films new to our program with some classic creepiness! Take a look at what's bustin' out all over our airwaves this June!

Health Facts

THIS IS WHAT HAPPENS WHEN YOU DRINK A GLASS OF RED WINE

WARM UP
Blood vessels dilate, causing warm blood to move closer to the skin's surface.

BETTER SLEEP
You enjoy better sleep - even compared to people who drank only water.

HEART HEALTH
Red-wine tannins protect against heart disease and lower your risk of heart attacks.

BURN FAT
Ellagic acid dramatically slows the growth of fat cells and lowers your risk of developing type 2 diabetes.

LOOK GOOD
Facial muscles loosen and cheeks flush with color, causing you to look more relaxed, and thus more attractive.

FIGHT SICKNESS
Ellagic acid dramatically slows the growth of fat cells and lowers your risk of developing type 2 diabetes.
