Cookout 4th of July

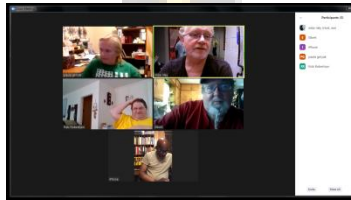

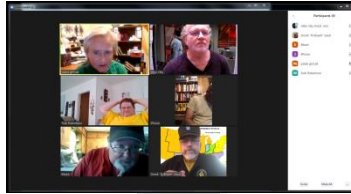

We had a little cookout on the 4th of July. We also watched SFC Mid year meeting on Zoom. The food was really good and lots of it. Many of the crew couldn't make it. But those that did had a wonderful time. We had two birthdays this month.

Zoom meeting

Our Zoom meeting for July. We had 5 crew members and 1 guest for this meeting. Thanks

to all that made this a fun meeting.

Promotions

We had three Promotions in July. Carla Pearsey and Christina Swanson are both SPECIALIST now. Robert E. Benson is now a Corporal. Congratulations!

In other news, Robert Jackson is now our ship's Chaplain. Robin Robertson is now Chief of Security. Congratulations!

SFC News

A new policy has been engaged within Starfleet Command Quadrant 1

As of 8-1-2020, all members will require 30 days in membership

with SFC Q1 before they can request exams from the Academy. This will allow Membership Services time to get new members assigned to ships/chapters, allow time for the Academy to be notified of new membership, allow Communications time to get new members listed on the email distribution list and allow Finance time to get the payments verified.

Any exam requests prior to 30 days of membership will be denied.

Resistance WILL be futile.

Svengoolie

Are we already heading in to the final full month of summer? For some, with the current circumstances, it may seem like we haven't really had a summer at all — regardless of the high temperatures and days at home that have hardly been a vacation! The Svengoolie program still moves into the next month of creepy entertainment — kicking off the Dog Days with a somewhat related furry creature, and

continuing on with a variety of monsters to cool you off by chilling your spine! Take a look!
