Prayer

PRAYER OF THE DAY

Dear God, I pray to You this very moment because I am struggling greatly. Upon my mind is great fear and anxiety as I worry about the future ahead of me. Lord, I pray to You for guidance in putting my trust in You. Once I put my trust in You completely, I will not fear because I know everything will be in Your almighty hands. I pray that I can learn to trust in You and Your plan for me. I know that you are all-knowable and that no matter what happens, You will be with me every step of the way. I pray that I find peace in Your guidance and Your presence and an ease of mind as I focus on the plan that You have already created for me instead of my own because Your plan is always greater. In Jesus' name, Amen.
