Aliyah In All Seasons

The Israelites were called to make a journey to Jerusalem, three times a year, first in spring for the Passover, second in early summer for Shavuot

or Pentecost, and lastly in the autumn for Sukkot, the Feast of Tabernacles. In other words, the people of God were called to journey to Jerusalem in every season of the sacred year - at all times. And no matter where you lived, in order to journey to Jerusalem, you had to go up. Thus the journey was called "the Aliyah" or "the going up." You, too, are called to "go up." But not just once when you come to the Lord, and not just occasionally when you make big decisions for the Lord, but in all seasons. The Lord calls you to journey upward at all times, in every season of your life and walk, and in every circumstance. Thus, make it your commitment every day to go up and always choose the higher path. In doing that, your life will be headed only for glory - for you are called to make aliyah in every season.

Starfleet Command News

As we are entering the final quarter of 2025, I want to update the membership on our upcoming events.

First of all, there is still time to get your submissions in for the annual Starfleet Command charity donation. Submissions may be sent directly to ADM Tim Shell atdfc@sfcq1.com. As a reminder, a random drawing will occur at our

annual meeting to select the charity.

As previously mentioned, Starfleet Command now has a rental storage unit to keep all SFC documents along with other items. If you have something that is "fleet" related that you don't plan to use, please bring it to Starbase Indy in November for safe keeping. If you have any questions, please contact any member of the Admiralty Board.

Speaking of Starbase Indy, Starfleet Command will have a recruitment table to advertise our organization, where you can speak one on one with members of the Admiralty Board and get your SFC merchandise at our portable fleet store.

Additionally, we will hold our Annual Fleet Meeting at the convention. The meeting will be in the Main Bridge on Saturday, November 29th from 10:00 am to 12:00 noon. At the meeting, along with being updated on the happenings throughout our organization, the Fleet Awards will be presented to members and units for their contributions to and activity in Starfleet Command.

And while you are there for the Annual Fleet Meeting, enjoy all the festivities that Starbase Indy has to offer by purchasing a daily or weekend badge at the convention or better yet, save a few bucks and purchase one before ever setting foot at the Marriott East in Indianapolis by going to starbaseindy.org. There is a wide variety of activities and events for people of all ages. If money is a concern, you could consider being a convention volunteer. This is also a

great way to enjoy and support the convention.

Show your support for this non-profit organization that supports us, Starfleet Command. You'll be glad you did.

Come and join us at Starbase Indy.
We look forward to seeing you there.

Live Long and Prosper
