Time Change

Svengoolie

This one goes to eleven... this year, I mean, going into its eleventh month. It's the month that connects the end of Halloween season to the brink of the holiday season, with the end of the month weighed down by an overdose of turkey (no, not me!) Will our schedule of films include any turkeys? We don't think so, but you'll have to watch and judge for yourself!

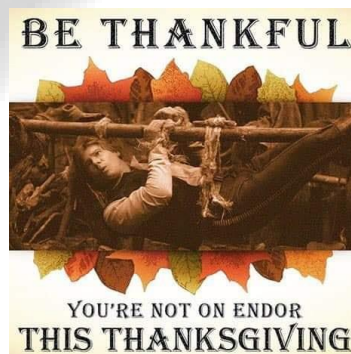

Take a look at what we'll be serving up!

	MeTV	8pmET 7pmCT
NOV 06	Munster Go Home	Another much-requested favorite!
NOV 13	The Indestructible Man	Lon Chaney Jr. zapped back to life!
NOV 20	King Kong VS Godzilla	Nuff said!
NOV 27	The Devil's Rain	Ernest Borgnine and William Shatner!
