Svengoolie

It seems like only yesterday that it was Halloween... oh, wait — it was!

And what a great Halloween month it was! We got a lot of great feedback on "Svengoolie's Halloween BOO-nanza" — as well as the "Svengoolie: Uncrypted" special and our various appearances, which we will talk about later. However, it's a new month and time to reveal what we have planned for you, including some old favorites and the network premiere of another American International flick!
