### Time to Vote

Don't forget to get out and vote this Tuesday 11/07 ! "Nobody will ever deprive the American people of the right to vote except the American people themselves and the only way they could do this is by not voting."

Franklin Delano Roosevelt

For all those that get out and vote  
You will get a little gift from the  
ship at our meeting this month  
(11/11).

All you have to do is bring the “I  
voted” sticker you get when you  
voted . It’s just that easy.

I hope to see many “I voted”  
stickers at our meeting this month..

### Svengoolie

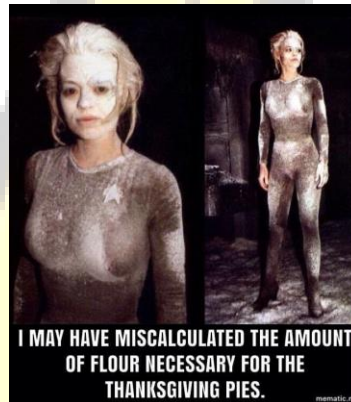

We begin the month with one of  
our MeTV “Super Sci Fi Saturday  
Night” stars: Captain Kirk himself,  
William Shatner — as a  
southwestern veterinarian puzzled  
by what has caused the death of  
livestock... only to find it’s due to  
some new residents in the area —  
tarantulas! And you thought  
tribbles were a problem! Then we  
do an encore of a popular and  
continuously-requested film  
starring the Universal Studios-  
sanctioned spooky TV family from  
the ‘60s — with (ahem) MOST of  
the original cast intact — finding  
they have inherited a title and a  
mansion in England, as well as a  
group of dastardly relatives who  
hope to relieve themselves of their  
American relations and take over in  
Munster Go Home!

We follow that up with some buggy  
behemoths as Dynasty star Joan  
Collins continues her devious ways,  
hoping to sell worthless real estate  
on an island — only to have some  
nuclear-waste spawned giants ruin  
the picnic in Empire of the Ants!  
Then, Vincent Price welcomes you  
to his house for an after-  
Thanksgiving party that almost no  
one will be thanking him for — as  
he offers big money to anyone who  
survives a night in the classic House  
on Haunted Hill! It’s a November to

remember — and hopefully not  
dismember (...too much!)
