## December's Meeting

Our meeting was our ship's Christmas party. I think everyone had a great time. The food was good, and we exchanged gifts.

---

## Food Pantry

We donated food and money to the Church Food Pantry in December.

---

## Movie Time

USS Halsey invited us to go and see the movie "The Hobbit: The Battle of the Five Armies" with them. The movie was amazing in 3d. We all enjoyed the movie.

## StarBase Indy

Day two at Star Base Indy 2014" By Captain Elbert Davis

Well here we are once again, its day two of Star Base Indy Convention. As our group meets up for the Annual Star Fleet Command in the main programming room. Most ships and outpost in quadrants One

area are here. The stage is set up to look like the inside of a starship. The AMD board assembled on the stage. They precede to do their introduction and then each department gives their report for the year. Moving on to the awards in each category one by one made their way to the stage. It's an honor to be given an award it shows the hard work that each ship and outpost has done. After the ceremonies, we went to the dealer's room for another look. As we made our way to the con suite for abit. We went back the SFC room. Talking with several visitors we hope some would sign up. In other rooms different actives were going on for everyone. We then had a ships meeting at 5pm in the con suite. They were closing the con down to set up for dinner so we cut our meeting short. After a nice dinner I went to another paranormal show with Shaun Burris. He shared his stories and experiences with us. Again you, must have an open mind when you hear his stories. Well we made it to 9pm and yet another haunt in Indiana called haunted Indiana part #2. The tell of Whispers Estate in Michel Indiana stories and tours are there. They also have tours they you can spend the night and do your own investigation and theories. You too might even see or hear a unknown whispers. Our final destination of the knight was the trip to the Central State . . The Asylum for the Insane. We all have heard many stories and tells of central state growing up in Indianapolis. I hope all have enjoyed this year's Star Base Indy. see you all next year. Captain Elbert Davis out.
